

County Performance Report

As of May 31, 2026 · County and regional teams

Regional reach is broad, with the next operating lift in counties carrying follow-up flags.

Snapshot

15 Active counties Counties with active projects	86 Active CBOs Reporting members
Northern Kenya Leading region 38K reached	7 Risk flags Project follow-ups

People reached by region

Northern Kenya		38K
Coast		34K
Rift Valley		33K
Central Kenya		24K
Nairobi Metro		17K
Western Kenya		14K

Summary

Northern Kenya leads on reach with 38K people across 8 active projects; Northern Kenya has the most follow-up flags (2).

Recommended follow-ups

1. Review the highest-risk region in the next county coordination meeting.
2. Use regional summary rows to match support needs to field capacity.
3. Keep county-level reporting cadence visible before close.
