

Member Engagement Report

As of May 31, 2026 · Partnerships

Engagement is strong overall, but reporting health should stay in the partner cadence.

Snapshot

186 Members Organizations in scope	86 Active CBOs Active this period
64.2% Engagement Average score	91.9% Reporting Completeness

Member status mix

Active		86 CBOs
New		18 CBOs
Dormant		62 CBOs
At risk		20 CBOs

Summary

91.9% reporting completeness and an average engagement score of 64.2% across 186 member organizations.

Recommended follow-ups

1. Prioritize overdue reporters before the next member newsletter.
2. Use engagement score and support need together for partner check-ins.
3. Separate new-member onboarding from dormant-member reactivation.

Evidence to watch

Machakos Food Security Collective

Kisumu · 90% engagement; current
